Cool grey cues from Leoline

Understated but no compromise on style, Mikado is the latest design from the Softstep cushion floor collection by Leoline. In its cool grey hue, the pebble design lends a natural aesthetic to a thoroughly modern shade, making Mikado perfect for homes on the hunt for quirky cool.

Ideal for bathrooms thanks to its permanent slip resistant finish, Mikado is also easy to care for with a SuperGuard layer to keep dirt and grime at bay. Benefitting from a seven-year guarantee and the comfort and warmth provided its Thermo Back backing, Mikado is a great all-round solution for any room in the home.

Mikado 508 is priced £17.99 per square metre through 0845 2268273 or visit www.leoline.co.uk
