## press release

### **A Carpet With a Silver Lining**

Sumptuous texture and beautiful colour come together in Corona from Vorwerk Carpets.

A lavish shag pile creation, Corona brings the softness and durability of nylon in a carpet suitable for use in the busiest of rooms. Twisted threads in two and three colours come together to bring the 22 colours of Corona to life, adding depth and a sense of mystery to your floor.

Corona is priced at £59 per square metre.
